

AM&S CONTRACTING PROCESS

See Notes 1, 2, 3

NOTES:

Note 1: This flowchart provides a snapshot of the Solicitation Phase in the AM&S Contracting Process. This is only a guide in defining when the process these tasks normally occur - the exact location in the contracting cycle for each item is somewhat flexible depending on program/contracting action dynamics. A detailed analysis of each event in the Planning Phase can be viewed by clicking on the appropriate event.

Note 2: The Official Contracting Process is defined in the AM&S CPPM.

Note 2: The official contracting process is defined in the AMQS CRM.
